Why Choose JewishCare?

Simply, JewishCare offers the best value to the community for home based care.

- All of our Case Managers have many years of experience working with seniors living at home.
- We constantly compare our costs against other providers and we can report that we are the best value provider.
- Our workers speak your language. Literally. We have workers who speak Hebrew, Polish, Hungarian, German, Yiddish, French plus more. We know that that really helps us to understand what you want.
- Our workers all have a Certificate III qualification or higher. Many have Bachelor's degrees.
- Plus we have agreements with a wide range of professionals who can come to your home to provide care and support to you, be it a physiotherapist to improve your walking ability or someone to mow your lawn.
- We also provide at **no charge**, highly skilled and experienced social work staff and an occupational therapist. To support you further there is free access to social clubs and activities in the community and volunteers to visit and support you in your home.
- The new changes will ensure that you can have the provider working with you that you feel best meets your needs and understands you. So if you want to, or are thinking of, having your package of home care managed by JewishCare ring us on 8305 8060 and one of our professional staff will guide you on the steps that you need to take to have JewishCare support you.
- We also manage funding from the Conference on Jewish Material Claims Against Germany "The Claims Conference" for eligible Holocaust survivors, to deliver Home Support services where clients receive both Australian Government and Claims Conference funded support. Different management fees apply to those in the table
